Step-by-Step Guide to Creating an Easy Baby Blanket

Step 2: Measuring and Planning

Decide on the size of your blanket. Common baby blanket sizes are approximately 30" x 30" or 36" x 36". Calculate the number of stitches needed based on your tension and chosen pattern.

Step 3: Casting On and Establishing the Foundation Row

Begin by creating a slip knot and casting on the required number of stitches. For example, for a simple rectangular blanket, multiply the stitch count by the width.

Step 4: Working the Pattern

Follow your pattern instructions, maintaining consistent tension. For single crochet, work into each stitch across each row, turning at the end.

Step 5: Adding Color or Texture

If using multiple colors, change yarn at the end of a row or as desired, following your pattern's instructions for color transitions.

Step 6: Finishing the Edges

Once your blanket reaches the desired length, finish with a neat border to prevent curling and add a polished look. Simple borders like single crochet or picot edges work well.
