Spool knitting, also known as "French knitting" or "corking," is a traditional craft with roots tracing back centuries. Historically, it served as a simple method for creating cords, trims, and toys, especially in rural communities. The technique involves wrapping yarn around a spool or a round peg device, then using a small hook to pull loops through previous loops, creating a continuous tube

of knitted material.

Over time, this technique evolved from a functional craft into a creative medium for jewelry design. Its ability to produce uniform, stretchy, and colorful cords makes it ideal for creating bracelets, anklets, and even necklaces. The advent of modern spool knitting tools and a growing appreciation for handmade accessories have propelled spool knit jewelry into mainstream fashion, especially among those who value sustainable, handmade items.

- Planning Your Design

Begin by visualizing your finished piece. Decide on:

- Color combinations
- Width and length
- Embellishments (beads, charms)
- Closure type (stretchy, clasped, or slip-on)

Sketching or laying out your design can help clarify your plans.

- Setting Up Your Loom

- Attach your spool knitting device on a stable surface or hold it comfortably if portable.
- Choose yarn color(s) and cut a length of approximately 2-3 meters, allowing enough material for your project and finishing.

- Starting the Knit

- Secure the yarn on the spool loom according to the device instructions.
- Wrap the yarn around the pegs or rods, ensuring consistent tension.
- Use your hook to lift the bottom loop over the top, creating the first stitch. Repeat this process around the loom, maintaining even tension.

- Creating the Tube

- Continue wrapping and looping, pulling each new loop over the previous one.
- For bracelets, keep the length short; for anklets, measure around your ankle and add a few centimeters for comfort.
- Incorporate beads or charms by threading them onto the yarn before looping if desired.

- Finishing the Piece

- When the desired length is achieved, carefully remove the knitted tube from the loom.
- Secure the ends by tying knots or attaching closures.
- For stretchable bracelets, you can use elastic cord or add an elastic band to the ends.
- For more polished jewelry, attach clasps using a needle and thread or jewelry pliers.

- Personalization and Embellishments

- Add beads by threading them onto the yarn as you knit or after finishing.
- Use different yarn textures and colors to create patterns or stripes.
- Attach charms or pendants to enhance visual appeal.
